Galaxy System User Manual Addendum

This addendum to the Galaxy System User Manual provides the required information for Hong Kong distribution of the Galaxy System.

This IFU addendum applies to the Galaxy System (GALRB-HK-001) with Galaxy System Software version 1.2.0.1-37 (1C.2).

Keep this addendum with your Galaxy System User Manual.

The Galaxy System User Manual is provided in English only.

Hong Kong Specific Information

The Galaxy System for Hong Kong includes the following country specific items:

1. Hong Kong specific power cable PN 10001582 to accept 240VAC /50HZ mains power.
2. Hong Kong specific Galaxy system catalog number GALRB-HK-001.
3. Hong Kong specific UDI number included on Galaxy Cart product labeling.

Customer Support

Only qualified service personnel should service or maintain hardware components. If you feel that the Galaxy System hardware components or associated features or functions do not perform as expected, or they provide results that are inconsistent with your established clinical and research protocols, contact Noah Medical Customer Service at customerservice@noahmed.com or the local responsible person.

System Alerts and Error Notifications:

The Galaxy System actively monitors system status and will generate a notification if an error condition occurs. For certain alerts, the recommended action is to contact Noah Medical using the phone number displayed on the graphical user interface. System users located outside the United States must contact local responsible person or Noah Medical Customer Service at customerservice@noahmed.com

Designated Local Responsible Person (LRP):

MediConcepts Limited

7A-D Hong Kong Industrial Building,

444-452 Des Voeux Rd. West, Hong Kong

Phone: (852) 28380300
